ARIZONA REPUBLICANS WOULD PROTECT MINERS

Phoenix, Ariz., Nov. 8.—The Republican central committee of Arizona has not yet announced its platform, but it is about completed. The platform declares for resubmission of the recall in modified form, which means the elimination of the judicial feature, for free text books in the schools, for continuance of the present good roads policy of the state, and for better protection of men employed at hazardous occupations, and endorses the admin-

istration of Taft and of governor Richard Sloan and Ralph Cameron, pointing to Cameron's success in securing his reelection.

DEMOCRATIC VOTE GREATLY REDUCED

(Continued from Page 1.)

congressman Latta, Democrat, of the third Nebraska district.

DEMOCRATS CARRY THE STATE OF KENTUCKY
Louisville, Ky., Nov. 8.—Returns to the Courier Journal indicate the election of James B. McCreary, Democrat, as governor, by a majority of about 20,000 over O'Neal.

The Herald, which supported the Republican state ticket, concedes defeat and announces the only thing in doubt is the Democratic plurality.

DEMOCRATS ELECT THE GOVERNOR IN MARYLAND
Baltimore, Md., Nov. 8.—Returns from Baltimore city and the counties of Maryland show that Philip Lee Goldsborough, the Republican candidate for governor, has a majority over state senator Arthur P. Gorman, Democrat.

Republicans claim he will have a majority in the state of 5,000, but Democrats do not concede this. While they say the election will be close they declare senator Gorman will be elected by at least 2,000 majority.

PRACTICALLY ALL ONE WAY IN VIRGINIA ELECTION
Richmond, Va., Nov. 8.—With almost no opposition to the regular Democratic ticket, the election in Virginia was merely ratification of the primary. Returns last night indicate that the Democrats will have 129 votes in joint assembly of 149 members.

SOCIALISTS MAKE GAINS IN MISSOURI
Jackson, Mo., Nov. 8.—Except for the unexpected strength shown by James T. Lester, Socialist candidate for lieutenant governor, the election today was a perfunctory affair, all Democrats being elected. A small vote was polled. Lester appears to have polled 2,000 votes in a total of 40,000.

SOCIALIST ELECTED MAYOR, CROOKSTON, MINN.
Crookston, Minn., Nov. 8.—N. L. Larson, Socialist, was elected mayor of Crookston by a majority of 91 votes. The Socialists also elected an alderman.

ELEVEN ILLINOIS TOWNS OUT OF IS VOTE "DRY"
Chicago, Ill., Nov. 8.—The state local option headquarters has announced that its returns indicated that 11 out of 13 of the Illinois cities voting on local option had gone "dry." Most of the towns were already without saloons.

The following cities voted "dry," according to the local option figures: Meredosia, Naples, Jacksonville, Tallula, Chandlerville, Harding, Hamburg, Mount Carmel, Golconda, Coulterville, Jonesboro.

The wet cities are given as follows: Athens, Petersburg, Kempsville, Pinckneyville, Mound City, Ullin, Baldwin.

In Cook county the Republicans and Democrats divided evenly the 10 superior court judgeships and the Democrats elected one circuit judge. A propo-

Knees Became Stiff

Five Years of Severe Rheumatism

The cure of Henry J. Goldstein, 14 Barton Street, Boston, Mass., is another victory for El Paso Sarsaparilla. This great medicine has succeeded in many cases where others have utterly failed. Mr. Goldstein says: "I suffered from rheumatism five years, it kept me from business and caused excruciating pain. My knees would become as stiff as steel. I tried many medicines without relief, then took Hood's Sarsaparilla, soon felt much better, and now consider myself entirely cured. I recommend Hood's." osition to increase the salaries of judges was defeated.

THE DEMOCRATS WIN IN THREE LARGE CITIES OF OHIO
Columbus, O., Nov. 8.—Democrats swept into power in the largest three cities of Ohio, Columbus, Cincinnati and Cleveland, carrying decisive Democratic pluralities.

A feature of the elections throughout the state was the large Socialist vote. In Columbus, the Socialist candidate for mayor, ran a close race with mayor Marshall, but was defeated. In Cincinnati, mayor Louis Schwab, a Republican, was elected by the Republican endorsement, was defeated by Henry T. Hunt, Democrat, by more than 5,000.

In Toledo, Brand Whitlock, Independent, apparently was elected for a fourth term by a plurality in the neighborhood of 2,000.

TOM JOHNSON'S POLITICAL HEIR WINS IN CLEVELAND
Cleveland, O., Nov. 8.—Cleveland, which two years ago went Republican, electing Hermann C. Basch, mayor over Tom L. Johnson, has returned to the Democratic fold, electing Newton D. Baker, Johnson's political heir, mayor, over Frank G. Hogan, Republican, by about 18,000 plurality.

The entire Democratic city ticket was elected, with the exception of five councilmen.

Newton D. Baker, the new mayor, was city solicitor during the entire eight years of the Johnson regime and was a victor two years ago, when the rest of the Democratic ticket was defeated. He favors woman suffrage and in his campaign declared for a municipal lighting plant, municipal betterment generally, and all the issues for which Johnson stood.

NEW YORK STATE TOWNS GIVE REPUBLICAN MAJORITIES
New York, N. Y., Nov. 8.—The state has flopped squarely over to the Republicans who have regained control of the lower house of the legislature by a safe plurality over all opponents.

The present assembly is Democratic by 34 plurality; the Republicans will have a plurality in the next assembly of about 14.

Tammany Vote Cut Down.
In New York City the early returns made it appear that the Democrats were 50,000 ahead in the vote for supreme court justices, and Tammany was celebrating in a high old way when the fuller returns began steadily to cut down the plurality and make the result look equally for a time. It is believed the final plurality of Tammany over the Republican and Hearst Democratic fusion will be only 7,000 or 8,000, a tremendous drop from the usual thundering Tammany pluralities of New York City elections.

The wet cities are given as follows: Athens, Petersburg, Kempsville, Pinckneyville, Mound City, Ullin, Baldwin.

Socialist Goes to Assembly.
Herbert M. Morrill, Socialist, is elected assemblyman from Schenectady county.

Municipal Elections.
Returns from the 22 of the 34 New York cities electing mayors show about an even division, 11 Republicans being elected, 10 Democrats and one Socialist.

Republicans Have Assembly.
Returns from throughout the state on the assembly election indicate the completion of that body will be as follows:

Republicans 100; Democrats 49; Socialists 1. This would mean a gain of 27 seats for the Republicans and give them a majority of 51.

Albany, N. Y., Nov. 8.—The reelection of mayor James B. McCreary, Republican, is conceded by a substantial majority.

Buffalo, N. Y., Nov. 8.—The Republicans made a clean sweep in Buffalo and Erie counties. The principal candidates on the city ticket were elected, the pluralities ranging from 10 to 10,000.

Six of the nine assemblymen elected are Republicans, a Republican gain of three.

Syracuse, N. Y., Nov. 8.—Edward Schoenock, Republican, was elected mayor of Syracuse over Luddington, Democrat, by 14,700 votes to 10,576, a plurality of 4,124.

Rochester Elects Edgerton.
Rochester, N. Y., Nov. 8.—Hiram A. Edgerton, Republican, was elected mayor of Rochester for the third time by about 6,000 plurality. He carried with him the entire city ticket. Monroe county also went Republican and will send a solid delegation of five men to the assembly.

Utica Elects Republican.
Utica, N. Y., Nov. 8.—The city of Utica elected a Republican mayor by a majority of 300.

Schenectady, N. Y., Nov. 8.—For the first time in the history of this county, the electors have polled a counting vote, electing a mayor, all but one of the other city officers and a majority of the county officers. The common council and probably the county board of supervisors will be Socialists.

FUSION TICKET LOSES IN PHILADELPHIA FIGHT
Philadelphia, Pa., Nov. 8.—United States senator Boies Penrose and his Republican machine win out in Philadelphia.

It's the Red Blood Corpuscles that Proper Food Makes.

An Ohio woman says Grape-Nuts food gave her good red blood and restored the rosy of youth to a complexion that had been muddy and blotchy. She says:

"For 10 years I had stomach trouble which produced a breaking out on my face. The doctors gave it a long Latin name, but their medicines failed to cure it. Along with this I had frequent headaches, nervousness and usually pain in my stomach after meals."

"I got disgusted with the drugs, stopped them and coffee off my diet and quit eating everything but fruit and Grape-Nuts, with Postum for my table beverage."

"The headaches, stomach trouble, and nervous weakness disappeared almost like magic, which showed that when the cause was removed the food products and drink used nature was ready to help."

"My blood was purified and my complexion became that of a young girl's while my weight was increased from 105 to 130 pounds in a few months—good, solid, firm flesh, where it used to be soft and flabby."

"I recommended Grape-Nuts and Postum to one of my friends, who was afflicted as I had been. She followed my advice and in a short time was restored to complete health and in about 8 months her weight increased from 100 to 145 pounds."

"Our doctor, observing the effect of Grape-Nuts and Postum in our cases, declared, the other day, that he would hereafter prescribe these food products for gastritis." Name given by Postum Co., Battle Creek, Mich.

delphia against the seemingly powerful Reform fusion party, composed of Democrats, anti-ring Republicans, Socialists, Prohibitionists, and so forth. Later returns may still change the apparent result, but it now looks as if George H. Earl, Jr., regular Republican, would have a plurality of 12,000 to 15,000 over Rudolph Blankenberg, candidate of the Reform fusion party. The whole state machine was thrown into the fight to win, and the opposition made a gallant fight.

DEMOCRATIC MAJORITY IS REDUCED IN MASSACHUSETTS
Boston, Mass., Nov. 8.—Governor Eugene N. Foss's sensational plurality of 35,000 in the election last year, when he was elected as a Democrat in a Republican state, was cut to less than 6,000 when he ran for reelection Tuesday.

It had been expected that he would lose some strength, but the extent of the falling away was quite beyond the expectations of either party. National issues were prominent in the campaign.

City of Boston.
Governor Foss carried the city of Boston by a reduced plurality. The total vote of the city was: Foss, Democrat, 49,661; Frothingham, Republican, 23,409.

The total vote last year was: Foss, 56,532; Draper, 27,836.

Foss's Popularity.
Massachusetts is always a hard fought field in off-year elections, but the state gave Taft 110,000 plurality in 1908, and is generally regarded as a safe Republican stronghold. Governor Foss is personally very popular.

Late Returns Change Figures.
It is years since Massachusetts has held an election in which the result was so long in doubt as in the contest that was fought in the old Bay state.

Early in the evening returns in favor of the Republicans and many of the newspapers declared for several hours that lieutenant governor Louis A. Frothingham had won over governor Eugene N. Foss.

But as more returns rolled in from city and county, the Republican lead dwindled until it began to dawn upon the political leaders of both parties that the contest would not be settled until the last election district had reported.

Governor Foss with a vote of 54,179 as compared with the 55,533 given him last year, carried Boston by 21,741. The vote in Boston for Frothingham was somewhat in excess of that for governor Draper last year, this reduced Mr. Foss's Boston plurality from that of last year by 5,976.

Washington, D. An agreement was reached with the men through the mediation, under the Sherman act, of Judge Knapp, of the commerce court and labor commissioner Neil.
